EUROTECH POSTDOC WORKSHOP 2018

29-31 October 2018, Eindhoven University of Technology

Each year, one of the EuroTech Universities hosts the annual EuroTech Postdoc Workshop, a 3-day gathering open to all postdocs working at the different EuroTech partner universities. Join a unique event that addresses the challenges of modern-day academia and enhance your soft skills to thrive in the future!

Outline Day 1
- Presentation by Postdoc.nl
- Keynote Speeches
- Workshop Career Orientation
- Social Event at The Hub Eindhoven

Outline Day 2 & 3: Workshops
- Sell your science (and yourself)
- Women in science and in academia
- Working in a cross-cultural setting
- Analytic storytelling

Venue: Eindhoven University of Technology, The Netherlands

Target group: Postdoctoral researchers who wish to enhance transferable soft skills

Language: English

Costs for Postdocs at TUM: The travel and accommodation costs will be covered for TUM researchers.

Organizer: Eindhoven University of Technology in cooperation with the EuroTech Universities Alliance

Registration: TUM researchers can apply for the workshop here: http://go.tum.de/549682. Successful candidates will be informed until 23 September 2018.
