TUM Talent Factory
MSCA Individual Fellowships
Masterclass for Postdocs 2018

June 29, 2018 and July 30-August 1, 2018 at TU Munich

In response to the European Commission’s (EC) call for application for “Marie Sklodowska Curie Individual Fellowships 2018” and TUM’s efforts to recruit and train excellent international young scientists, the TUM Talent Factory organizes a MSCA-IF Masterclass in order to enhance applicants’ ongoing proposals. The target group are international Postdocs who are planning a research stay at TUM or want to prolong their stay.

The workshop consists of two parts:

The Introduction Day (June 29) gives an understanding of the EC funding principles and the Participant Portal and informs about the special requirements for a successful MSCA-proposal.

During the 3-Day Writing Camp (July 30 – August 1), participants will work individually and in groups on their proposals and receive individual feedback.

Apply until June 10, 2018 – Travel Grants for Applicants from abroad >>

Requirements

• Researchers do not need to be affiliated with TUM beforehand, but need a TUM host professor willing to support their applications.

• They also need to fulfill the eligibility criteria (Mobility rule + research experience)

Mobility rule: For the European Fellowship with TUM as a host, an applicant is eligible if s/he spent less than 12 months in the last three years prior to the deadline in Germany. For the Global Fellowship, the same rule applies to the non-European country where the applicant wants to conduct her/his research (the date is calculated from the deadline, i.e. September 12, 2018).

Research experience: PhD or 4 years of full-time research experience

The workshop is organized by TUM ForTe and conducted by professional trainers from SB Science Management UG with long-standing experience in proposal writing for national and EU funding programs.

Application Process

Researchers can apply until June 10, 2018 by filling the online form (http://go.tum.de/553278).

Required documents:

• Motivational Statement (0.5-1 page)
• CV including Track Record
• PhD Certificate or a document that confirms the eligibility for the program

Participants need to be present for the Writing Camp, an online participation is possible for the introduction. Travel Grants will be awarded to up to 5 applicants.

Travel costs for these applicants will be covered by the TUM Postdoc Mobility Travel Grant: This includes travel costs up to 300 € within Europe, up to 1000 € outside Europe, up to 1500 € from Australia/New Zealand and the costs of public transport in Munich (which will be reimbursed) and a hotel room arranged by TUM for duration of the Writing Camp.
